Gerald R. Ford International Airport Announces Photo Contest

Grand Rapids, MI, November 12, 2004 – The Kent County Department of Aeronautics is currently holding a photo contest. These photos will be used in the photo/video loop that plays on monitors located in the baggage claim area. This video and photo display is used to welcome visitors as they pass through the terminal building providing a visual display of the beauty and activities that may be experienced throughout Michigan's West Coast. These images are some of the first that visitors see of the West Michigan region.

The purpose of the photo contest is to invite the community to submit photos of Michigan's West Coast for use in this unique project. Individuals are encouraged to submit photos that show "life on Michigan's West Coast" from their perspective. Contest entrants are not required to live in West Michigan.

From now through December 31, 2004 participants can submit entries of photographs depicting scenes, events or attractions from Michigan's West Coast (Holland, Grand Haven, Muskegon, Grand Rapids area).

For submission rules and full contest details, visit the Airport's website at www.flygrandrapids.org.
